From The Franchisee

We had an amazing time during the summer break with the Holiday Program here at Seaford Primary School.

The children enjoyed the many activities such as The Royal Melbourne Zoo, Reptile Encounters, our group games and sports and also the cooking tasks filled with yummy food.

The program was really successful which allowed us to make many connections throughout the program including students from other schools and our professional connections that helped us run the programs such as YogaBugs and Supreme Incursions.

I would like to thank all of the friends and families that made our program a successful one over the holidays and can’t wait to begin planning the next Holiday Program.

See you there,

Matt

Staff Profiles

Tatum - Program Manager

Tatum has been appointed as the program manager for Seaford Primary OSHC. She will be handling the running of the program and all concerns and compliments should be directed her way.

Tatum is currently studying a bachelor of Primary Education and on completion hopes work hard to one day be the Principal of her own school.

I hope that all families of Seaford Primary School offer her the support they offered me in the beginning weeks of the program back in 2011

Misty - Program Assistant

Misty is the newest employee for sKids Casey & Cardinia and will be working at the Seaford Primary OSHC a few times per week during this term.

Misty has currently finished her studies for a Certificate III in Children’s Services. Misty will begin further studies as the year progresses and hopes to continue studying in the field of Children’s Services.
