In Literacy last week, Grades 1/2 D and 1/2 R read a funny story called **The Exploding Frog**. Old Mr Frog wanted to be as big as an ox, so he took a deep breath. He doubled his size. He kept doing this until he exploded. Here are some samples of our work. The rest of our work is on the display board outside the staffroom. Please take some time to look at it, as we had a lot of fun completing our work.
