This week we will be performing for the very first time, our new school song at assembly. Our school song will replace the national anthem as the song of choice at assembly and this will usually begin the assembly. Because our year 5 and 6 students will be at the lightning premiership, on Friday our school song will be at the end, so we are assured that our senior students will be back to join in.

My thanks to Mrs Giles and Jack from Excel Music who have spent many hours in writing and modifying the song, along with the group of children who have been learning the songs and have provided the vocals on the backing track.

The following are our song lyrics, which promote our Seven Habits of Highly Effective People upon which The Leader In Me is based:

**“REACH FOR THE STARS”**

I am me and you are you,
We are all different, shining through
To be our best that we can be
Think Win-Win at Seaford Primary

**Chorus**

Stretch up tall – reach for the stars
Be proactive- cos you’re in charge
At our school, we are go-getters
Synergise, because together is better

I set my goals and plan ahead
I listen first to what others have said,
So seek first to understand
Words and actions go hand in hand

**Repeat Chorus**

So on our path to being great,
If you’re behind it’s never too late
To sharpen the saw and be in charge
Gonna live my life and gonna live it large

**Repeat Chorus**

Repeat last line of chorus

We would love to see many parents at this week’s assembly, where we will also be presenting the welcome certificates to those preps who were not able to attend the welcome back picnic, and yes, this will be the prep’s first assembly. It will be a busy assembly as we will also be presenting our elected KID Reps with their badges.

Regards

Michael

**HEALTHY LUNCH BOX SUGGESTION**

**Chicken and vegetable rice paper rolls**

You will need: Large rice paper rounds, lettuce, barbecued chicken shredded (bones removed), capsicum thinly sliced, lebanese cucumber, bean sprouts trimmed. Sweet chilli sauce to serve.

**Step 1.** Half-fill a shallow dish with warm water. Dip 1 rice paper round in water. Place on work surface. Stand for 20 to 30 seconds or until soft enough to roll without splitting.

**Step 2.** Place lettuce along edge of rice paper. Top with chicken, capsicum, cucumber and beansprouts. Roll up, folding up edges to enclose filling. Cover roll with a damp tea towel to prevent it drying out. Repeat with remaining rice paper rounds and fillings to make rolls. Cut in half. Serve rolls with sweet chilli sauce.

HAVE YOUR SAY!

All families are invited to attend the Frankston line level crossing removal interactive community information sessions.

We’re removing 50 dangerous and congested level crossings in Melbourne by 2022. Removing these level crossings will improve safety, reduce congestion on roads and provide an opportunity to run more trains.

Eleven level crossings will be removed on the Frankston line between Ormond and Frankston. Three crossings are already being removed in Ormond, McKinnon and Bentleigh, and planning is underway to remove a further eight crossings:
- Charman Road, Cheltenham
- Balcombe Road, Mentone
- Edithvale Road, Edithvale
- Station Street/Bondi Road, Bonbeach
- Station Street, Carrum
- Eel Race Road, Carrum
- Seaford Road, Seaford
- Skeye/Overton Road, Frankston

Come along to a community information session, drop-in at any time [no RSVP required] and have a chat with our project team.

We are keen to hear about what is important to the local community and about your experiences with the level crossings. Your input is important in helping us consider potential designs and understand what solutions may work at each site when removing a level crossing to separate the road and railway line. Later in the year there will be further opportunities for you to provide feedback on potential designs.

Community feedback is vital to make this job a success, and we will be working closely with the community to find the best solutions for the project.
