ICT Purchases

Last week the school took possession of 32 new notebook computers, two 16 bay trolleys and 5 PC’s along with an updated Curriculum Server which will provide speedier and more reliable network access for the students when working on their laptops, iPads or XO’s at school. We now have 48 notebook computers, 32 iPads and 190 XO’s for our 160 students.

CSEF Funding Deadline

Eligible parents are reminded that Friday June 26th is this year’s deadline for registration to be able to access the Camps Sports and Excursions funds being made available by the State Government. To be eligible, a parent or caregiver needs to be the holder of a Health Care Card, Veteran Affairs Card, Pension Card or be the legal guardian of a student under a foster care arrangement. These funds will be available once applications are processed and approved. It is expected that this will be early in term 3.

Working Bee Reminder

This weekend has been set aside to complete a number of tasks to improve the look of our school grounds. Thank you to those who have responded by completing the form provided a couple of weeks ago. If you have not replied but are able to donate some time to the effort, then please just come at a time that best suits you. Saturday will be from 9 – 1 and again from 2 -4 with lunch provided to those here between 1 and 2. On Sunday works will begin at 9 and continue until 12. If you are able to attend, if you have a wheelbarrow, please bring it along. Most other tools will be able to be provided by the school, unless of course you have a favourite spade/shovel/rake or broom.

By having volunteers assist with tasks such as the ones being undertaken at the working bee rather than having them done by outside companies, frees money up to be used on things such as the computer equipment mentioned earlier as well as other resources that are provided for the students.

The Leader In Me

Today (Thursday), Mrs Reardon, Mrs Stewart and I attended the first day of the Leader In Me Symposium in the city. This program recognises that in each child there are leadership qualities and by working with the children, parents, staff and wider community we can harness these qualities and allow all children to shine. It is our intention, as mentioned earlier this year, to investigate the possibility of Seaford becoming a Leader In Me school and our attendance at the symposium is one of the strategies we will be using to help in making this decision. On Tuesday afternoon, Mr George Danson, principal of Parktone Primary School (A Leader In Me School), will be speaking to the staff about his school’s journey from 2010 – when it was first introduced- until the present. Over the last couple of weeks of this term and the first two or three of next, all staff will have the opportunity to spend a ½ day at Parktone to see the program in action.

I will keep you all informed as to the progress of this feasibility study.
**Disco**

Next Friday, June 19th, is Disco Day at Seaford Primary School. This is an event that I won at the principal’s conference that I attended earlier in the year and will be run by Footsteps Dance Company. It will be a free dress day and the canteen committee will be providing a special lunch. We will be asking the children to pay $5 which will give them lunch (details provided next week, but will include a drink) the ability to come out of uniform and attendance at the disco. All children will go to the disco if they are not ordering food, however a gold coin donation would be appreciated if they choose to wear free dress. Money raised will go to a special project that we are planning for the school playground that will be discussed at next Monday’s school council meeting. More information will be able to be provided in next week’s newsletter depending on council’s decision.

A lunch order form will be provided early next week with all lunches needing to be pre-ordered. The special lunch will be the only one that the children can order with the normal canteen options not being available on this day.

Regards
Michael

**CELEBRATING OUR CHILDREN’S ACHIEVEMENTS**

Annika, Andy, Sienna, Jen, Bridget, and Ollie shared their Cross Country awards. These awards were presented to them by the Kingston Division Primary School Sports Association.

Asha and Audrey received their Dance Club awards at assembly last Friday.
Photos of the Language Unit, House Captains and K.I.D Reps are available at the Office for viewing and ordering.
These photos are $25.00 each.
Payment must be received at time of order.

We wish to advise that our uniform supplier will be relocating from 24th June until 20th July and will be unable to process any orders during that time. Please place any uniform orders with the uniform shop prior to the 12th June to avoid disappointment.

We apologise for any inconvenience caused.

Sue Dickson
Uniform Shop Co-Ordinator
**It’s My Car**

I’ve got a car that’s made of tin, No-body knows what shape it’s in. Got four wheels and a bumper bar it’s a four-door. It’s my car, honk honk, rat-tle, rat-tle, toot, crash, beep, beep. Honk, honk, rat-tle, rat-tle, toot, crash, beep, beep. Honk, honk, rat-tle, rat-tle, toot, crash, beep, beep, honk, honk!

SEE SING! TEACHER’S HANDBOOK

This song is cumulative in that on each repeat, one sound effect is not sung aloud but the action is still performed. For the verse, walk to the beat in a clockwise direction. Turn to centre ready to sing and do actions for the chorus.
# Holiday Program – Seaford Primary OSHC

**June 29th – July 10th**

Would you like your children to do something fun and exciting during the holidays but don’t have the time to spare on activities during the workday? Why not send your kids to our Holiday Program. Your children will enjoy Incursions, Excursions and Service Based programs that are fun and interactive.

<tr>
<td>As the days get colder, we will be trying to warm up with today’s theme. Today will be filled with craft and hot chocolate. Yum!</td>
<td>Today we are off to search for some new helpers. We will head off to Village Cinemas in Crown to see Minions (PG). We will also try and find a nice place to have lunch.</td>
<td>The craziest day of the year is here! Mad Hatter’s Day! You need to be entirely bonkers today as we explore this theme.</td>
<td>Today’s theme centres around the classic movies we have loved for many years. Disney is a big part of our lives and today we will be reminiscing throughout all of our activities.</td>
<td>Today we will head to AMF Bowling in Frankston for a friendly game of bowling. If the weather is good, we will also be going to Ballam Park.</td>
