Grade 1/2W

In performing arts with Mrs Dyer we have been learning about ‘stage presence’.

Stage presence means:
1, walking on and off the stage silently.
2, performing with confidence and enthusiasm.
3, smiling at the audience
4, remembering the words and actions to a song

AND

5, HAVING FUN!

We will need these skills when we perform at our concert at the end of this term.

We hope you enjoyed the song ‘Jelly Jelly’ that we performed.
