Last week at assembly we had the pleasure of presenting our elected KID Reps with their badges. Each of our grades 1 to 6 elect two students to represent them on what is essentially a junior school council. In years 3 to 6 this takes the form of nominating, presenting a speech to the grade and then a ballot, with the two students receiving the most votes being elected to the KID rep position. In years 1 and 2, our year 2 students need to indicate a desire to be the representative, with the final decision being made by the classroom teacher.

The roles of the KID Reps are wide and diverse. They meet regularly to make suggestions about a variety of things where they see that the school can improve. Already we have met twice with the KID reps to discuss with them what they would like to see happen to our Big Adventure Playground. Once they have developed their ideas more fully, they will meet with representatives of the companies that we have asked to tender and will assist in making the final decision as to what we will do within the constraints of the budget allocation.

The KID Reps will also plan and organise events to raise funds for both the school and for nominated charities, they take a leadership role in the sale of ANZAC Day Badges and Remembrance Day poppies and in the running of the school based ceremonies when our House Captains are involved at the RSL.

The KID Rep program is another opportunity for children to develop their leadership skills and abilities and to take on additional responsibilities which will benefit not only themselves but others as well.

Congratulations to our 12 KID Reps for 2016.

**ANNUAL GENERAL MEETING**

The Annual General Meeting of School Council is set down for Monday March 21st at the school commencing at 5.30 pm. All members of the school community are invited to attend this meeting which will be followed by the first meeting of the new school council and the election of office bearers.

**END OF TERM**

Thursday, March 24th is the last day of the school term. It promises to be an extremely busy day with the Easter Bonnet Parade at 9.10, the Fun Run at the Seaford North Reserve in Railway Pde at 11.30, and the final assembly at 1.45. The final assembly will include the draw of the Easter Raffle and the presentation of attendance certificates for term 1.

**PUPIL FREE DAY**

The first day of term 2, Monday April 11th is a school council approved Pupil Free Day. All of the school staff will be completing the third days training in the implementation of The Leader In Me. Children will recommence school on Tuesday April 12th.

**Easter Raffle Tickets**

Message to all of Seaford Primary School:

Please Read The Following VITALLY Important Information!

Well, it’s vital if you want chocolate!!!

There’s only a week left of school and that means only a week until we draw the Easter Raffle winners. The draw will occur at the final assembly for this term, and you can’t win it if you haven’t bought your tickets.

There’s lots of lovely Easter goodies just waiting for YOU!! Please return your tickets and money to Mrs Cooper in the Office.

And if you need more tickets, Mrs Cooper has them, too – all you need to do is ask

From The Fundraising Committee

1 / 2 W – GRADE OF THE WEEK

This year we are going to be learning about the 7 Habits of Highly Effective People (leaders). For younger children these habits are known as the 7 Habits of Happy Kids. These are leadership qualities children can learn and develop throughout school and beyond.

This term we have been focusing on habits 1 and 2.

Habit 1: Be Proactive. Proactive children are responsible children. When we have a bad day, things go wrong and people upset us we stay calm like a bottle of water and choose how to react, instead of being reactive and exploding like a fizzy drink.

Habit 2: Begin With The End In Mind. We plan ahead and set goals, because we are proactive we then plan what we need to do to achieve these goals.

Come and see our goals which are displayed behind the front office near the staffroom, and talk to us at home about what we need to do to achieve our goals. Also ask us about our class weekly learning goals as we start each week with the end in mind.
